Dear Current or Prospective Portage Lake Sportsmen Member,

Memberships for the 2016 membership year expire on April 30, 2017. This means it's time to renew your membership at the Portage Lake Sportsmen so that you can enjoy the benefits of membership this coming year. A membership form is included with this letter, as well as a copy of the club rules. These forms are also available from the club secretary, at the club house, or on the club web site. Memberships can also be renewed on the website with payments via PayPal. Please note that the online payment rates are slightly higher than the mail-in rates.

For mail-in renewals, please complete the membership form and mail with your payment to the club Post Office box, indicated on the forms. For PayPal renewals, use the link on the web site to complete your order. You will receive a confirmation email both from PayPal and from the club secretary.

New and returning members will be required to complete a range walk through in order to receive their membership credentials. Returning members who have previously completed a range familiarization session within the previous three years will not be required to repeat the session.

Again this membership year, all members are being required to review and sign a copy of the club rules. Please review the club rules, which are available on the club web site and included with this letter. The rules were created to preserve the facilities and to help ensure the safety of members and guests. The signed rules will be submitted at the completion of the required range walk through.

I hope to see you at the club.

PLS Secretary
