## Sight-in Day at the Portage Lake Sportsmen's Club

Saturday, October 27, 2018

10:00 am until 3:00 pm

This event is open to the public. Club members are encouraged to bring a friend (spouses and children are welcome too)!

Experienced and inexperienced shooters/hunters are welcome. We will have lots of toys including camera equipment to view shots from the firing line in real time, bore sighting equipment for scopes, a Doppler radar chronograph, a torque driver for securing scope rings, and volunteers to answer any questions you may have about shooting or firearm deer hunting.

A free lunch (brats/hotdogs/hamburgers, chips, baked beans, soft drinks, coffee, etc.) will be served at noon in the clubhouse. Note: To help us estimate how much food we should purchase, please let us know if you plan to attend (call Dallas at 482-4365 and leave message).
