Bring a friend (spouses and children are welcome too)!

Experienced and inexperienced shooters/hunters are welcome. We will have lots of toys including camera equipment to view shots from the firing line in real time, bore sighting equipment for scopes, a Doppler radar chronograph, tools for securing scope rings, and a lead sled for the heavier calibers. Volunteers will be available to answer any questions you may have about shooting or firearm deer hunting.

Lunch will be served at noon in the clubhouse (brats/hotdogs/hamburgers, chips, baked beans, soft drinks, coffee, etc.).

Note: To help us estimate how much food we should purchase, please reply to this email or call Dallas at 482-4365 and leave a message to let us know if you plan to attend.

See you at the range!
