Dear Current or Prospective Portage Lake Sportsmen Member,

Annual Memberships run from May 1<sup>st</sup> until April 30<sup>th</sup> of the following year.

Membership information is available on the club [website](#), can be obtained from the club secretary or at the club house. Memberships can be renewed by mail or through the club [website](#) with payments via PayPal. The online payment rates are slightly higher than the mail-in rates due to processing fees. Please note that the club rules have been recently updated. A copy is included and can also be reviewed on the [website](#).

All members must read, understand, and agree to abide by PLSC rules. Completing the membership application and payment of dues implies your consent to the rules and your agreement to indemnify and hold harmless the Club, its Directors, volunteers, employees, and insurers for any and all injuries, damages, losses, or claims arising from participation in activities at the Club or at any Club-sponsored activity.

When a membership application is processed, a confirmation email will be sent, if an email address was provided. New members will be required to complete a range walk-through in order to receive their membership credentials. Returning members who have previously completed a range familiarization session within the previous three years will not be required to repeat the session.

At the annual meeting in 2017, a provision was put in place to keep dues low and promote increased volunteer participation at the club. Members who volunteer are eligible for work-hour credits to reduce their membership fees. Hour requirements and fee reductions are determined each year and are outlined below.

Work-hour credits earned during the current membership year apply to next year's membership. Each hour worked earns a \$10 credit toward annual dues and may reduce the member's annual dues by up to half of their regular rate.

Volunteer Opportunities include:

- Facility Maintenance and Repair
- Equipment Maintenance and Repair
- Facility Clean Up
- Range Management
- Other activities as directed by the board

Please note: It is the responsibility of each member to ensure that their hours are logged. At each volunteer activity, there will be a volunteer coordinator who will have a log sheet to record

the time worked. When renewing their annual membership, members who have volunteered will receive a notice stating their adjusted dues with credit given for hours worked. Credit given for hours worked cannot be applied to online payments via PayPal for 2023.

Please contact me or any of the other board members, if you have any questions.

I hope to see you at the club.

Paul Raymond  
PLS Secretary
